

This job is a great opportunity especially if you love being outdoors and animals. If you are independent and want more flexibility in your job you must possess the following qualifications:

- You must be over the age of 21.
- Be available to work flexible hours including weekdays, nights, weekends and holidays.
- Must love animals and be qualified to take care of them.
- Be reliable, organized, detailed oriented, and self motivated to check homeowners' premises.
- Need to be able to medicate pets orally and be willing to learn administering injectables.
- Must have good customer service skills and have experience in handling all types of domestic animals.
- You must be able to solve problems in unusual circumstances and be physically capable of walking large dogs as well as clean up after dogs.
- Please have reliable transportation with a valid driver's license.
- You can not have a criminal record. Criminal Background Checks will be performed.
- This position is subject to random drug testing.
